A message from Mr. Levin

We have had several new students join our program this year, and we would like to welcome them to the KSA family.

Quarter two is well underway and closes on Jan. 23rd. Midterms will be administered on Jan. 22nd and 23rd. Consistent attendance is crucial to academic success and directly correlates to passing grades. Students with excessive unexcused absences will incur credit loss. Please encourage your child to come to school on time every day.

On behalf of the KSA staff, we hope you enjoy a happy and safe holiday with your family and friends.

ANNUAL THANKSGIVING LUNCHEON RETURNS!

Many thanks to Bread for Life and the parent volunteers for preparing a delicious Thanksgiving meal for invited guests, staff, students and KSA families. Thanks also to the Plantsville Congregational Church community for the use of their hall.

School Nurse News

Grade 10 Entry

All students entering grade 10 each year will need a physical examination completed by their physician.

The State of Connecticut Health Assessment (blue form) must have the front page completed by the student's parent or legal guardian and the remaining pages completed by the examining physician. Physicals must be completed within one year prior to the first day of school.

No tenth grade student may start school without a complete examination and documentation.

Make your doctor's appointment early in the year to insure requirements are completed.

GOOD GUYS VISIT KSA

Thank you so much to Jason McCormick and Liz Hyatt from Good Guys Auto House for visiting KSA and teaching basic car knowledge to students. Pictured is Taylor who has an internship with the company.
